

Coronavirus Support Scheme

for individuals & families

Welcome to **Chesterton Grants Coronavirus Support Scheme**. During these difficult times many people in lockdown are either concerned about their finances or taking stock of all their existing financial arrangements.

We have offered a free support package to all our existing customers which we are now extending to the general public.

This involves FREE advice in any aspect of financial planning which includes the following -

Fee Free Mortgage Advice

We can discuss how you can apply for payment holidays and review your existing mortgage deal to see if there is savings to be made. No broker related fees charged with any mortgage we recommend and arrange.

Pension Reviews

Are you concerned of what the impact of COVID-19 has had on your pension pot or do you just want a free review of your existing plan? A friendly chat with one of our experienced advisers can guide you through the current situation and advise you accordingly.

Investment Reviews

Are you seeing a drop in investments and worried about the longevity? We can review your existing arrangement and advise you going forward.

Protection Advice

Have you got adequate protection in place for you and your loved ones? We can review your existing covers and this includes Income Protection, Life Insurance and Critical Illness Cover.

These are typical thoughts at the moment for everyone, call one of our friendly team today for a friendly and confidential chat with help and support if needed
